Private Label Cosmetics

Image and Impact has assisted hundreds of businesses to establish their unique brand. You could be next... Image and Impact makes it easy for you to have your own line of cosmetics.

Step 1: Choose your product and colour combinations.

Our wide range of cosmetic products includes: lipstick, nail polish, eye shadow, blush, foundation, illusion toner, TV touch, loose powder, pressed powder, cosmetic pencils, mascara, liquid eye liner, lip gloss, lipstick sealer, shimmer cream and more.

Select from our extensive spectrum of colours – including 200 lipstick colours, 400 eye shadows, 180 blushes, 225 nail polish and much more.

We make custom colours and introduce new colours every Spring and Fall to help you keep your line current with industry trends.

Step 2: Select your packaging. Image and Impact has several attractive packaging options to help differentiate your line.

Step 3: Decide on your logo. Design your own logo or let us design one for you.

Step 4: Print your logo on private label products. Image and Impact will print your logo on your product selections. In about one week you will have your own unique line of cosmetics.

Image and Impact also offers:

Custom Labels

We can provide you with a simple label for identification, a cost effective paper label meeting all the labeling requirements or an elaborate label that reflects the image you desire.

Special Packaging

Image and Impact offers a distinctive variety of premium packaging options to improve your line.
